3300 SERIES

From bold design, smart features, and legendary performance, TeleMatrix 3300 Series corded phones make perfect sense for you and your guests. Flat panel design complements the look of flat screen television sets in the room. Choose from 7 standard or custom color handset accents to match any room décor and coordinate style with functionality. Features include patented OneTouch voice mail technology for hands-free auto-dialing and retrieval, and an integrated Ethernet pass-through port for guest connectivity. VoIP and analog CID configurations have an LCD screen. Matching Trimlines available.

3300 SERIES ANALOG HIGHLIGHTS

- Available in 1 or 2-line corded configurations
